## December Specials

Neo Solutions Provides  
Holiday Shopping Solutions for all the Geeks in Your Grab Bag.

Neo Solutions knows that some of the people on your Holiday List have been naughty and but that most of them have been nice. We also know there is someone on your list that could use a Complete Computer Tune-up and maybe even a very lucky person who will need a New Computer Setup.

### Complete Computer Tune-up

Regularly \$149

Now - 12/24 \$99

Give someone on your list the opportunity to have a Neo Solutions Technician give their computer a serious computer Tune-up including: Hard Drive Check, Windows Updates, Spyware Scan, Registry Clean Up, Security Examination and more.

### New Computer Setup

Regularly - \$129

Now - 12/24 \$89

Know someone who is getting a new computer? Allow Neo Solutions to setup printers, transfer data, and get the internet working. It's the perfect stocking stuffer for someone getting a new computer...just make sure they open this gift certificate after they open the new computer.

### Complete Computer Tune-up

with 1 year of Online Data Backup (5GB)

Regularly \$249

Now - 12/24 \$159

Know someone whose computer is sluggish or malfunctioning? Allow our friendly and experienced technicians check the structures and functions of your computer, make sure the system is up-to-date, and improve the speed and performance of your desktop or laptop. This package includes one year of the simple secure solution to protecting your priceless computer data.

## New Computer Setup

with 1 year of Online Data Backup (5B)

Regularly \$249

Now - 12/24 \$149

Need help with a new computer setup? Make sure your internet connection and email work from day one. Remove unwanted programs and migrate data from your old system. This package includes one year of the simple secure solution to protecting your priceless computer data.

Printable PDF Gift Certificates for these gifts and more are available from Neo Solutions. Email us at [info@neo-solutions.net](mailto:info@neo-solutions.net) for more information.
